5.2.2 RESIDENCE SERVICE

A. GENERAL REGULATIONS

1. Scope of Rates for Individual Access Lines and Primary Station services.

Rates or extended service in non-ZUM<sup>1</sup> areas comprehend service without additional charge as set forth in Schedule Cal.P.U.C. No. A5.1.1.B., which indicates the local service areas.

Rates or extended service in ZUM areas comprehend service as set forth in Schedule Cal.P.U.C. No. A5.1.1.C., which indicates the local service areas.

Rates for service other than extended or Zone Usage Measurement Service comprehend local service from the exchange from which the primary station is served.

2. Equipment Arrangements

A rate for an individual access line does not include a telephone set with the line. See Guidebook, Part 3, Section 1 for service and labor charges. (T)

In connection with an individual access line an authorized customer provided telephone set or key equipment will be provided by the customer.

Access lines may be provided with equipment arrangements which require this grade of service.

The customer shall be responsible for the installation and maintenance of any inside wire and standard jack(s) conforming to Part 68, Subpart F, of the FCC's Rules and Regulations associated with non-key and non-switching system services for Individual Telephone Services.

NOTE 1: Zone Usage Measurement.

5.2.2 RESIDENCE SERVICE (Cont'd)

A. GENERAL REGULATIONS (Cont'd)

3. Provision of Service

Residence individual line services will be provided within the base rate area, district area, suburban area, or remote island area (RIA) at the rates shown in D. following.

Exception:

New applicants for service within Cactus City, Chiriaco Summit, Ocotillo Gardens, Pinecrest, and San Clemente Island RIAs will be provided service only if facilities are available.

4. Local Exchange Call charges apply to:

- a. Sent-Paid messages dialed and completed by the customer from a Residence telephone service without the assistance of a Company operator. (T)

Exception:

When 7-1-1 is dialed to access the California Relay Service, no charge will be made to the calling party. However, local calling and toll charges for conversation minutes will apply.

- b. Sent-Paid messages placed with the assistance of a Utility operator where:
- Dial completion facilities are not available
  - Equipment or circuit conditions cause unsuccessful dial attempts
  - The customer identifies himself/or herself as being handicapped and unable to dial
  - The Company operator must identify the calling number where automatic recording equipment is not available. (T)
- c. Sent-Paid messages reestablished after a service failure on a customer dialed call.
- d. For messages other than those described, the rates and special conditions applicable are as provided in Guidebook, Part 9, Section 1. (T)

A. GENERAL REGULATIONS (Cont'd)

4. Local Exchange Call charges apply to: (Cont'd)

e. For messages to any 976 Information Access Services applicable rate and regulations are in Guidebook, Part 8, Section 2.

5. Access Line Signaling Arrangement

Access lines services are furnished with rotary dial service and Touch Tone Calling Service as the standard signaling arrangements.

6. Verification of Busy Line Condition

Verification of busy line condition and/or interruption of a conversation in progress at the calling party's request will be provided as set forth in Guidebook, Part 11, Section 4.

7. Customers may transport analog data over basic telephone lines. The Utility will support low speed analog transmission of data (up to 4800 bps) over regular access lines.

8. It is the customer's responsibility to provide, and update if necessary, accurate Automatic Number Identification (ANI) and Automatic Location Identification (ALI) sub-address information to the 911 database administrator. Once the customer provides ANI and ALI sub-address information to the 911 database administrator, it is the responsibility of the Company to provide the location of the pilot number to the PSAP for 911 calls, and where technically and operationally feasible the Company will deliver ANI to the PSAP at a station level behind a Multi-line Telephone System.

C. MEASURED RATE SERVICE<sup>1</sup>

(N)

1. Description

A telephone service with local service charges based upon the number of outgoing timed or untimed local messages or Zone Usage Measurement (ZUM) Service Zones 1 and 2 messages applicable to Residence service.

2. Regulations

a. Reserved

b. All calls to a local exchange, or ZUM Zones 1, 2, and 3 are measured.

The length of conversation to which usage rates apply is determined by the time of day, day of the week and class of service as shown in D.2. following.

The time of day when conversation actually takes place is determined in accordance with the time system - standard or daylight saving, legally or commonly in use, determines whether Day Rate, Evening Rate, or Night and Weekend Rate treatment applies. In cases where a call extends beyond one rate period, the appropriate treatment applies to the respective periods of conversation.

c. Service will be provided outside the base rate area and within the exchange area, at the rates shown in D. following.

d. Reserved

NOTE 1: Effective February 1, 2021, Residence Measured Rate Service is no longer available to new subscribers. Existing customers may keep the service but may not move or make changes to their service. (N)

e. Zone Usage Measurement Calling

Applicability:

(1) ZUM Zone calling usage rates are applicable to calls between the Zones as such Zones are identified in A5.1.1.C. preceding.

(2) Zone 3 message rates apply to all calls (including Flat Rate Service) within the originating exchange's Zone 3 when such calls originate from all services.

(3) ZUM Billing

Day Evening, Night and Weekend Rates are applicable to all calls based on the initial and additional minutes of use as shown below:

All local, extended area, and Zones 1 and 2 calls are summarized

Zone 3 calls, if applicable, are individually billed.

(4) Zone Mileage

In general<sup>2</sup>, Zone calling mileage is applicable as follows:

(T)

<u>Zone</u>	<u>Rate Center Mileage</u>
1 (Local Calls)	0-8 miles
2 (Local Calls)	9-12 miles
3	13-16 miles

(5) Usage Allowances

(a) Usage allowances will apply to all local calls and the three zones in a ZUM exchange. Usage allowances are not applicable to message toll calls.

e. Zone Usage Measurement Calling (Cont'd)

Applicability: (Cont'd)

(5) Usage Allowances (Cont'd)

(b) Customers with Individual Line Measured Rate Residence (lMR) service, the monthly billing for usage will be the customer's accumulated usage for the billing period at the rates shown in D.1. following, less the applicable usage allowance. If the usage does not exceed the usage allowance, the customer will not be given credit in subsequent billing periods for the unused portion of the usage allowance.

(c) For accounts to which more than one service is billed, the monthly billing for usage for each account will be the total accumulated usage for the billing period at the rates shown in D.2. following, less the sum of the applicable usage allowances for each such account. When the usage does not exceed the sum of the applicable usage allowances, the customer will not be given credit in subsequent billing periods for the unused portion of the usage allowances.

f. Service charges do not apply in connection with regrades of residence services between measured rate and flat rate services for a period of 120 calendar days after the completion of the implementation of Zone Usage Measurement in an exchange or district area of an exchange.

3. Territory

Within the base rate area or suburban area of a listed exchange, district area or zone as said areas and zones are defined on maps filed as part of the tariff schedules.

5.2.3 PRODUCTS AND SERVICES FOR DISABLED CUSTOMERS

A. GENERAL

1. Description

This schedule is applicable to products and services for certified disabled individuals as prescribed by the Public Utilities Commission of the State of California.

2. Definitions

Certified Disabled

Individuals with physical impairments limiting their use of the telephone and who require special equipment or services to access the exchange and toll networks. Such a disability must be determined by a certifying authority. Certification Documentation will reside with the Deaf and Disabled Telecommunications Program (DDTP). (T) (N)

Certifying Authorities

Disabled Individuals must be certified by a licensed physician or surgeon acting within the scope of their license, or by a qualified state agency determined by the Commission, to receive specialized telephone communications equipment.

Deaf and hearing impaired individuals must be certified by a licensed physician, audiologist, hearing aid dispenser, or a qualified state agency determined by the Commission as described below, to receive network services capable of serving their needs. (T) (T)

A. GENERAL (Cont'd)

2. Definitions (Cont'd)

Qualified State Agencies

The Department of Rehabilitation is qualified to certify disabled, deaf and hearing impaired individuals to receive specialized or supplementary telephone communication equipment.

State agencies desiring to be qualified to certify disabled, deaf, and hearing impaired individuals to receive specialized or supplementary telephone communication equipment shall send a letter to the Commission's Executive Director, with a copy to the Telecommunications Division's Director, identifying the state agency, personnel, and qualifications of personnel being designated to certify the disabled, deaf and hearing impaired individual. Upon receipt of a respondent letter from the Commission's Executive Director authorizing its certification program, such agency may begin its certification program. (T)

The Department of Rehabilitation and other qualified state agencies shall notify the Telecommunications Division's Director by letter of any changes in the designated personnel with qualifications at least 20 working days prior to certifying any individuals. (T)

Recertification

A disabled person who has a medical certificate on file with the DDTP shall not be required to refile a medical certificate for participation in the disabled program unless the DDTP is unable to locate the certificate, in which case a new filing will be necessary. (T)

Temporary Disability

Temporarily disabled persons who submit a medical certificate to the DDTP shall be included in the disabled program only for the actual period of certified disability. (T)

3. Dormitory Service

Certified disabled individuals who subscribe to Dormitory Service, as defined in Schedule Cal.P.U.C. No. A9.1.1 are eligible for the provisions contained herein.

1. Regulations (Cont'd)

e. Business customers may be required to reapply for service in this schedule annually. Residence service customers will be required to reapply as determined by the DDTP but not more than once a year. The DDTP will notify the business customer of the need to reapply. Upon receipt of the notification, the business customer must state which of the following conditions continue to exist: (T)

(1) Notify the DDTP through re-application, that the disabled individual is still currently employed and that the service in this schedule is still required, (T)

- or -

(2) Notify the DDTP and Utility that the employment of a particular disabled individual has been terminated and that the service is no longer required. The DDTP will then proceed to disconnect the service or equipment provided, in this schedule. (T)

- or -

(3) Notify the DDTP and Utility that the employment of a particular disabled individual has been terminated and that the service is still required. The Utility will then provide the service in B.2.a following in other applicable schedules. The customer will be responsible for returning any special equipment to the DDTP. (T)

f. When the business or residence customer fails to reapply for service or to certify that the individual is still disabled, the service in B.2.a following will be provided in other applicable schedules. The customer will be responsible for returning any special equipment to the DDTP. (T)

g. Where there is no longer a certified disabled individual on the premises, a business or residence customer must notify the DDTP and Utility that service in this schedule is no longer required and request the service be disconnected or provided in other appropriate schedules. The service charges will not be applicable to this change. (T)

h. Network Services for disabled customers will not be furnished where customer provided terminal equipment is not technically compatible with the Network Services offering. (T)

e. The Telecommunications Devices require individual line service and certain Telecommunications Devices require a standard jack or its equivalent conforming to Part 68, Subpart F, of the FCC's Rules and Regulations. The charges and rates for individual line service apply. These terminals do not have internal signaling or dialing capacity and must be used in conjunction with a telephone instrument incorporating such capacity.

f. Commstar Feature Three Way Calling is available as specified in B.2 preceding.

g. Where there is no longer a certified deaf, severely hearing impaired or physically impaired individual on the premises, a business or residence customer must notify the DDTP and Utility that service in this Schedule is no longer required and request the service be disconnected. The subscriber will be responsible for returning the equipment to the DDTP with the discontinuance of service and will be held responsible for the loss of damage of the subscriber's equipment unless such loss or damage is due to causes beyond their control. D. SURCHARGE

1. Explanation

Pursuant to order of the California Public Utilities Commission and the provisions of Section No. 2881 of the California Public Utilities Code, each certified deaf or severely hearing impaired subscriber or user, requiring a means of communication over the telephone system, will be furnished a Telecommunications Device and/or a signal unit at no charge in addition to basic exchange service in accord with the provisions of Schedule Cal.P.U.C. No. A3. Pursuant to Decision No. 87-04-027 products and services for certified disabled individuals will also be made available at no charge. The cost of providing such minimum basic equipment features will be charged to a Trust Fund.

Pursuant to Resolution No. T-17741 dated December 2, 2021, a surcharge (C) of 1.11% will be applied to all telecommunication utility subscribers' (C) intrastate tariffed services, both within a service area and between service areas. This percentage rate surcharge will take effect on February 1, 2022, and shall be identified on subscribers' bills as the (C) California Relay and Communications Devices Funds which includes a 1.11% (C) surcharge rate for the Deaf and Disabled Telecommunications Program and a 0.000% surcharge rate for the Telecommunications Devices for the Deaf Placement Interim Committee. This surcharge will remain in effect until otherwise ordered by the Commission.

The Utility shall not be liable for any and all penalties, losses or damages sustained by any carrier, or its customers, as a result of its use and concurrence of the Public Program Surcharge rates and the Commission Reimbursement Fee rate contained in the Utility's tariffs under Resolution T-16901.

The Utility shall not be liable for any and all claims arising out of any act or omission by the Utility as a result of a carrier's use and concurrence of the Public Program Surcharge rates and the Commission Reimbursement Fee rate contained in the Utility's tariffs under Resolution T-16901.

The Utility shall be indemnified, defended and held harmless by all carriers against any claims, loss or damage arising from a carrier's use and concurrence in the Public Program Surcharge rates and the Commission Reimbursement Fee rate contained in the Utility's tariffs under Resolution T-16901.

(N)

1. Description

This schedule is applicable to processing requests by the Utility for telecommunications devices for the Deaf (TDDs) from schools and private, non-profit, organizations serving the deaf and severely hearing-impaired community in accordance with Commission Resolution No. T-13060.

The Utility shall:

- a. receive the request,
- b. investigate the request,
- c. approve the request if the following requirements are met, or
- d. deny the request,
- e. disburse the TDDs when approved.

The Commission shall continue to process requests from state agencies, or those organizations not clearly meeting the guidelines set forth in this schedule.

2. Regulations

- a. Organizations eligible to receive TDDs shall meet at least one of the following criteria:

(1) Private, non-profit, not tax-supported, and serve the deaf or severely hearing-impaired, on a more than incidental basis, that is, at least 10% of the total clientele of the organization must be deaf or severely hearing-impaired. The requesting non-profit organization will provide services specifically serving the unique needs of the deaf and/or severely hearing-impaired community.

(2) Schools that are specifically for the deaf. The term "school" refers to both public and private schools.

(3) Schools that have significant programs for the deaf. The term "school" refers to both public and private schools. A significant program for deaf or severely hearing-impaired students is an established, on-going supplementary educational program in addition to the mainstreaming of the student into the regular classroom.

IMPORTANT NOTICE

Pursuant to and in compliance with Decision 20-10-006, effective October 8, 2020, beginning December 1, 2020, AT&T California (AT&T) will no longer offer California Lifeline Measured Rate Service to new lifeline enrollees. New enrollees may subscribe to California Lifeline Flat Rate Service. (T)

On or after March 1, 2021, AT&T will transition all existing California Lifeline Measured Rate Service customers to California Lifeline Flat Rate Service. Former California Lifeline Measured Rate Service customers will receive a monthly \$2 bill credit for six months after the transition. (N)

1. Description of California LifeLine

California LifeLine, is a California Universal Service Public Policy Program that provides discounts on basic residential telephone service to eligible low-income households pursuant to the Moore Universal Telephone Service Act, General Order 153 and Resolution T-17366.

California LifeLine discounts are available to eligible customers ordering new, or currently subscribing to, the following basic services: flat rate individual service or measured rate individual service.

2. Territory

California LifeLine is available within all exchange areas as said areas are defined on maps filed as part of the tariff schedules.

3. Service Elements Available under California LifeLine

The Service elements of California LifeLine are outlined in Appendix A-1 of D.14-01-036.

6. The Enrollment Process for California Lifeline

The California LifeLine Administrator must certify a customer's eligibility as referenced in 4.e., preceding, before the customer may enroll in California LifeLine. (T)

All residential customers seeking enrollment in California LifeLine are subject to the Company's establishment and reestablishment of credit policy under Schedule Cal. P.U.C. No. A2.1.6. Such residential customers shall not be required to pay a deposit for basic service. Such residential customers shall pay regular rates for basic phone service and connection charges until approved for LifeLine. Such residential customers shall also have available interest-free payment plans as provided for in Schedule Cal. P.U.C. No. A2.1.9, J.1.

Upon enrollment in California LifeLine, the customer's regular basic service will be converted to Lifeline service.

All LifeLine discounts will be credited to the customer's account retroactive to the date the service began or the date the customer requested to be enrolled, whichever is later. If the customer's bill has a net credit balance of \$10.00 or more, the customer may request a refund check.

A customer does not have to certify eligibility if he/she was enrolled in California LifeLine within the last 30 days. Such customer shall be enrolled in the program once the California LifeLine Administrator confirms his/her status.

10. Description of Discounted Nonrecurring Charges (Cont'd)

a. Service Connection Charge (Cont'd)

(2) The California LifeLine connection charge as set forth in 9.a.(6) preceding is applicable any time a qualifying household: (L)

(a) establishes California LifeLine,

(b) re-establishes California LifeLine at the same address at which California LifeLine was previously provided (even when the customer was disconnected for nonpayment),

(c) establishes California LifeLine at a new residence, or

(d) switches California LifeLine from one company to another. (L)

(3) The Company shall not impose a "central office charge" in addition to the California LifeLine connection charge when installing California LifeLine.

(4) Installation of a second and subsequent telephone service connection shall be subject to the Company's regular tariffed rates for these connections, except that low-income households with a disabled member may qualify for California LifeLine connection charges on two residential telephone connections.

(5) The Company may charge a late-payment fee when the California LifeLine customer fails to timely remit some or all of the California LifeLine connection charge under a deferred-payment schedule. (T)

b. Service Conversion Charges

The California LifeLine conversion charge as set forth in 9.a.(8) preceding is applied each time an existing customer changes class of service (from basic services to California LifeLine service) or when an existing customer enrolled in California LifeLine changes the type (measured vs. flat rate service) or grade (multi-party vs. one party) of service, including requests to change from Foreign Exchange Service.

There is no limit on the number of times a California LifeLine customer may pay the California LifeLine conversion charge to effect a change in the class, type or grade of service.

A customer shall not be charged a conversion fee in conjunction with a service connection charge.

14. California LifeLine Notices in the Language of Sale (T)

With the exception of those sales involving the use of an outside translation service, the Company will provide those customers to whom it sold California LifeLine in a language other than English with the following:

- a. Commission-mandated California LifeLine notices that are in the same language in which California LifeLine was originally sold; and
- b. Toll free access to customer service reps who are fluent in the language in which California LifeLine was originally sold.

15. California LifeLine Participants Who No Longer Qualify for California LifeLine or a Second California LifeLine Line (T)

Recipients of California LifeLine must notify the Company of any change that causes the California LifeLine customer to no longer qualify for California LifeLine or a second California LifeLine line. Upon receipt of notification, the Company will change the service to apply regular tariffed rates and charges. The regular tariffed rates will be billed retroactively to the date the California LifeLine service no longer applied.

Customers no longer qualifying for California LifeLine are subject to the Company's rules applicable to the establishment or reestablishment of credit set forth in Schedule Cal.P.U.C. No. A2.1.6 and subject to applicable deposit requirements, if applicable, as set forth in Schedule Cal.P.U.C. No. A2.1.7.

No service conversion charges are billed to the customer for removal from California LifeLine.
